SCOTLAND'S BOAT SHOW

WELCOME TO
SCOTLAND'S BOAT SHOW

This year we have again expanded our show, as we have been designated an official 'Year of Food & Drink Scotland' event, to include the new Scottish Food & Drink Pavilion – an indoor food and drink 'street market' situated adjacent to The Chartroom Restaurant.

We would like to express thanks to our key Sponsors and Partners for SBS15 - RYA Scotland, Inverclyde Council, Clyde Life Magazine, and Practical Boat Owner on whom we depend to ensure that Scotland's Boat Show remains admission free. This year we offer a particular thanks to Event Scotland who are supporting the Scottish Food & Drink Pavilion.

For all things Boats and Boating Roseann and the team at Michael Schmidt & Partners together with our many other Marine Exhibitors have an impressive range of vessels for sale so please take your time and discover what is on offer.

Within this magazine you will find a note of the many events and attractions over the Show, so please read through and remember you are allowed to come back another day!

You can also keep up to date with daily events by following Scotland's Boat Show on Twitter, Facebook, Instagram or by visiting www.scotlandsboatshow.co.uk.

If your visit has inspired you to seek an introduction to Boating then please speak to RYA Scotland at their stand or any of the Kip Marina staff who will only be too happy to help and point you in the right direction.

We are here 365 days a year and offer a range of services, goods and leisure activities at Kip, including our clothing store, The Chartroom Restaurant, Sea Change Therapies and Café Riva and you are welcome any time.

In the meantime I hope you enjoy Scotland's Boat Show 2015!

Gavin McDonagh

RYA Scotland - getting the kids into boating

Scotland's Boat Show is a great event for all the family so if you are bringing your children with you don't forget to visit the RYA Scotland stand. The RYA Scotland team will be running a treasure hunt over the Saturday and Sunday to challenge the youngsters visiting the show. Testing their knowledge and sending them to lots of different areas of the show, they will be learning lots of new things as well as being in with a chance to win a prize. As well as the treasure hunt RYA Scotland have also teamed up with Clyde Muirshiel Park to offer dinghy taster sessions over Saturday and Sunday. Completely free, the sessions offer children the opportunity to get on the water and experience sailing first hand! You don't need any special clothing or equipment, just come along to the RYA Scotland stand to get signed up for your free sailing session.

RYA Scotland, as one of the main sponsors of the show, will be manning their stand all three days of the show so feel free to drop in and say hello. They have some great offers for the show for those looking to join the RYA and also some nice freebies for those who are already a member. Got any questions about the boating you do or not sure how to get started? Come and speak to the RYA Scotland team who will help point you in the right direction and give you the information you need.
