

Scotland Boat Show 2017

Sika Marine Stage

in association with Practical Boat Owner

What's On

The **Sika Marine Stage** is situated in the **Get On The Water Pavilion** adjacent to the main marina offices.

Please note schedules and content may be subject to change – please check for updates

Friday 13 October

11-11.45am: REACHED THE END OF YOUR ROPE? Top 6 signs that say you need to replace

David Mossman, at Marlow Ropes, takes a look at how to inspect your ropes, and the key 'wear and tear' signs to look out for. David is a former professional sailor, experienced in rope design, development and testing.

12-12.45pm: MAKING LIGHT OF HEAVY WEATHER

Met Office meteorologist Penny Tranter will share her knowledge of planning, preparing and reacting to weather on the water crucial to your decision making, safety and enjoyment of your time on your boat. Penny will cover a wide range of pertinent weather subjects and looks forward to answering your questions!

1-1.45pm: PRACTICAL DEMONSTRATION ON WINDOW BONDING

Sika's technical services expert Gareth Ross concentrates on the correct procedure for bonding plastic windows, including cleaning, priming, and adhesive selection, plus the do's and don'ts.

Continued...

Friday 13 October continued

2-2.45pm: A WILD CALL – SAILING AROUND SCOTLAND

Suffocated by a lack of freedom in modern life, Martyn Murray sought an alternative. Falling in love with an old ketch in Ireland, he bought and restored her enough to sail back to Scotland, where he spent two summers cruising the Western Isles. Talk and book signing.

Saturday 14 October

11am-11.45pm: MAKING LIGHT OF HEAVY WEATHER

Met Office meteorologist Penny Tranter will share her knowledge of planning, preparing and reacting to weather on the water crucial to your decision making, safety and enjoyment of your time on your boat. Penny will cover a wide range of pertinent weather subjects and looks forward to answering your questions!

12-12.45pm: PRACTICAL DEMONSTRATION ON WINDOW BONDING

Sika's technical services expert Gareth Ross concentrates on the correct procedure for bonding plastic windows, including cleaning, priming, and adhesive selection, plus the do's and don'ts.

1-1.45pm: BOAT SURVEY – STEP BY STEP

PBO expert Colin Brown, of CB Marine Services, reveals what a second-hand boat survey actually does, what it can't do, and discusses common corrosion problems on board.

2-2.30pm: THE PELLE P FASHION SHOW

Sit back and enjoy the latest stylish clothing from Pelle P. Already popular for technical and fashion wear, the Swedish clothing company's winter collection is sure to cause a sensation plus Sven's unique commentary and, of course, ABBA music!

3-3.45pm: BOAT INSURANCE TIPS AND FACTS

Rob Stevens, MD of Topsail Insurance, will give entertaining and informative talk on boat insurance tips and facts, revealing situations where you may think you are insured but in fact are not.

4-4.45pm: CRUISING WITH YOUR DOG ON BOARD

Cruising Association (CA) member Derek Lumb reveals the practicalities of sailing with a seadog.

Continued..

Saturday 14 October continued

5-5.45pm: SAILING IN THE BALTIC

Cruising Association (CA) member Colin Wilson shares his experiences of sailing in the Baltic.

Sunday 15 October

10am-1pm: THE CRUISING ASSOCIATION SEMINAR

The CA is holding a free seminar on the Sika Marine Stage on the Sunday morning of the show.

There will be a few half-hour talks on subjects such as Sailing in the Baltic, Sailing with a dog on board and insurance tips with an exclusive on the day 20% discount on Imray charts and pilot guides.

A demonstration of the CA's great app - CAptain's Mate - will also be on offer plus the chance to win a £3,000 set of standing rigging from Sta-Lok, the Rolls Royce of rigging.

Take a look at: www.theca.org.uk for details of how to apply for a ticket to the CA's seminar.

1.15-2pm: MAKING LIGHT OF HEAVY WEATHER

Met Office meteorologist Penny Tranter will share her knowledge of planning, preparing and reacting to weather on the water crucial to your decision making, safety and enjoyment of your time on your boat. Penny will cover a wide range of pertinent weather subjects and looks forward to answering your questions!

2-2.20pm: THE PELLE P FASHION SHOW

Sit back and enjoy the latest stylish clothing from Pelle P. Already popular for technical and fashion wear, the Swedish clothing company's winter collection is sure to cause a sensation plus Sven's unique commentary and, of course, ABBA music!
